

A Perfect Phi Phi Day

A calm local plan - from first coffee to a quieter evening.

FAMILY-RUN | SEVEN PLACES | TONSAL VILLAGE | UPDATED JULY 2026

ONE DESIGNED DAY, KEPT FLEXIBLE

08:00

Coffee before the boats

Start at Aroi Cafe while Tonsai is quiet. Halal-friendly, with no pork or lard; not a certified halal kitchen.

10:00

Use the island advantage

Choose a viewpoint or ask a trusted captain about an early route. Confirm weather, sea and park access on the day.

13:00

Eat where families eat

Head to The Locals at Rimna Plaza for Southern Thai curry-over-rice from a halal-certified kitchen.

16:00

Recover properly

Slow down at Highseason Thai Massage after a climb, dive or boat day. Private rooms and certified therapists.

18:00

Fresh before evening

Mani:Pedi:Care offers an air-conditioned room and sterilised tools for a calm reset before dinner.

LATE

Choose a quieter evening

Find the staircase above the Shark Cage Bar for Scubar - cocktails and conversation without buckets or fire shows.

The honest notes

- Clinic: open 8 AM-midnight; not 24-hour. Serious cases transfer to Phuket.
- Cannabis: wellness only, 20+ and ID required. Not part of the nightlife plan.
- Halal: The Locals is certified. Aroi is halal-friendly and not certified.
